Nearly three years ago, we published a membership directory which contained 270 entries. This directory includes 371 entries. As before, the directroy is for members' personal use only.

Please take a minute and look at your mailing label on this issue. The number in the upper right corner is the number of issues which you will receive in the future. A zero, for example, means you are holding your last issue.
If that number is getting low, better get a check in the mail to Malcolm.
