DEADLINE FOR THE JULY-AUGUST ISSUE IS JUNE 10, 1985!!!!

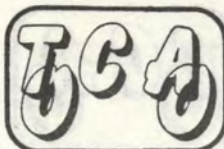

EDITORIAL

Boy, has a lot happened since the last issue! We finally managed to piece together a new membership list for this issue. You know, the one we promised for the last issue. I thought I'd just "whip together a little computer program", key in the names in a hurry, and have the list out in, oh, say 2 days after I started. Well, if any of you out there are programmers, you can guess what happened. As I started to write the program, it dawned on Susan and I that if I added a few bells and whistles, I could maintain the membership list, automatically update the issues remaining, print the labels, print the membership list, keep the attendance rosters for the Eastern Tandem Rally, the Midwestern Tandem Rally, the Southern Tandem Rally, tell whether you are a dealer, keep your phone numbers, and be able to print out a list sorted by state, by ZIP code, by name, or just about any way you can define. Of course, with members in Canada and in England, it had to be able to handle other nations' mailing formats, too! And wouldn't it be nice if we could just put the name/address of every tandem owner we know so we could do membership drives by targeted region, etc? Well, I am happy to report that I can now do all that. Sure, it took me eight times as long as planned, but I should have expected that! Anyway, it is completed, and your mailing label was printed by my system now, as was the enclosed membership roster. Look at the changes, and tell me if we have made a mistake in your address. All address changes should be sent to us, the Editors, to ensure you don't miss a

copy of DoubleTalk (most third class mail is not forwarded!). Mal & Jean still handle the new memberships and your renewals, the same as always. We hope that we can now serve you better. Stay tuned for future developments.

The increased postage rates have caused us (your volunteer officers) to seriously look at our finances for the coming foreseeable future. After analyzing our expenses (most of which goes to produce DoubleTalk), we have determined that we can still increase our publishing schedule to six issues a year, beginning in 1986, and not raise our dues IF we reduce the number of complimentary issues now being mailed to non-advertising dealers. After much discussion, we have developed a new membership class for dealers. In brief, a dealer/frame builder/bike shop can become a dealer member for \$30.00. This will give the dealer member 6 issues of DoubleTalk AND a classified ad, similar to those run in the back of Bicycling magazine, for 6 issues. During May, everyone who has been receiving complimentary issues of DoubleTalk will receive a letter explaining, in detail, the TCA Dealer Member program and giving them the opportunity to become TCA DEALER MEMBERS. Of course, Dealers can still join as TCA tandem enthusiasts for the \$8/team annual rate and forgo the classified advertising! Display Ads will still be offered at our current rates.

The National Tandem Rally (NTR) idea continues to be discussed around the country. Ted & Karen Ellis, (Ted was the one who first mentioned this idea to me), have

sort of become the un-official location finders for this proposed event, as well as survey takers, opinion seekers, and "let's keep the ball rolling" enthusiasts. So far, Ted and Karen have talked to tandemists from the NorthEast, from the Midwest, and from the South. Findings to date indicate that:

(1) Most Midwesterners perceive any PA or NY location as "east" which would cut attendance drastically and make NTR an "Eastern" rally and defeat the purpose totally.

(2) Possibly the Georgetown/Franklin, KY area would be more acceptable to everyone. Perhaps this year's GEAR could be used as next year's NTR.

(3) For an alternative, Columbus, OH, is exactly central to the upper Midwest (Minnesota) and to the New England areas, and is closer than western New York for the Southern Tandemists. The Zaneville and New Philadelphia areas show some promise for a rally, and they're just over the line from PA, which should be acceptable to the eastern folks. We know the LAW has discovered Dayton, but has anyone explored the Columbus area?

(4) What are everyone's feelings about a mid-week rally, say one which would allow most folks a weekend before and after the rally for travelling? That way, most folks could attend the rally without using two weeks' vacation.

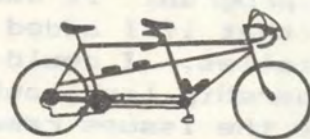

So far, no one has expressed any strenuous objections to attending a Rally outside their normal area, especially if the Rally was truly a national Rally (and was the only one offered that year). Ted estimates that we could probably expect an attendance in the range of 200-300 tandems, with the right loca-

tion, the right publicity, and no competing Tandem Rallies that year. I agree with his estimates.

If you would like to express your opinion on this subject, or possibly volunteer to host the National Tandem Rally in 1986, please contact Ted & Karen Ellis, 53 North Street, Warwick, RI 02886. If you are planning on attending any of the major rallies in 1985, you will also have an opportunity to express your opinion to me in person.

'Till next time.....

LETTERS TO DOUBLETALK

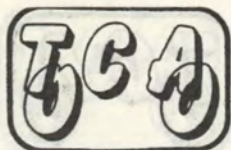

Dear DoubleTalk:

We are planning on taking our tandem with us on our honeymoon (June 3-12, 1985) to Hawaii. If anyone can give us some help (with the bicycle, that is), we would appreciate hearing from them. We would like information on roads, airport baggage requirements, and "highlights".

Thanks for your help.

Michael Lindholm
10111 Highway 55-103
Plymouth, MN 55441

Susan and I can't answer all your questions, but we have traveled considerably with our tandem(s). We have flown many times on Delta, American, Eastern, and United Airlines, with no hassle.

Only American Airlines questioned the requirements, and after looking up the tariff, were very helpful. (Incidentally, American Airlines is the only airline that specifically mentions tandem bicycles in their tariffs). Act like you always travel with it, and you shouldn't have any trouble.

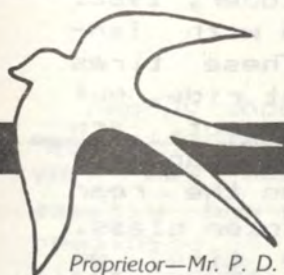

We have found that we travel much better if we can turn the bicycle over to the curbside porter (tip the man! and get your claim check), and simply walk away. Don't look back at the bicycle, or watch how it is being handled. We have never had a problem with this method, and our bicycle has always arrived on the same plane we did, with no scratches and no problems. Oh, yes, we do box our bicycle for shipping.

Good luck! (And how about an article when you return?)

Dear DoubleTalk:

Our tandem experience only goes back a couple of years. However, I have learned one trick to facilitate riding a tandem solo. I keep a supply of heavy rubber bands (such as those used by the postman) on my rear rack. Then when I must ride single, I simply slide a band over the crankarm and over the toe clip. This points the pedal toward the center of the bottom bracket. Some might say the pedal could bottom out on sharp curves, but

this has been no problem for me. One advantage of this cost-effective solution is that it works without regard to whether the cranks are in phase or out of phase.

We look forward to future issues.

Dear DoubleTalk:

The prospect of summer has me once again thinking of tandemming...

While we are not particularly "heavy hitters", we do enjoy the sport of tandemming immensely. Now, to the point of my letter:

(1) To thank you for your efforts on DoubleTalk. Being involved in work for trade associations other than my job, I perhaps have some appreciation for the effort involved. I look forward to the publication and wish to say "thanks!"

(2) Your fall issue mentioned interest in a National Tandem Rally. Yes, we would be interested, & the idea of a pre- and post-tour seems to be most appealing. If I could be of some small help to you from this distance, please let me know.

(3) We have taken a number of trips in the local area, particularly in Wisconsin. Again, if I could be of service to anyone interested, let me know. Wisconsin has a number of beautiful off-road (paved or hard-surface) bicycle trails that are the nicest we have found.

Thanks again.....best regards,

Jack Revord
Wilmette, IL

Thanks for the praise. So far, the job has been a labor of love for Susan & I. If the articles keep coming in, it should continue to be fun. And how else could I keep in contact with so many nice and interesting people?

Talk continues on the subject of the National Tandem Rally. See this issue's Editorial for the current status of this project.

Dear DoubleTalk:

Our thanks to Christian Bratina & Lynne Alexander for the very informative article "Tire Tips" in the last issue of DoubleTalk.

My wife and I purchased a new S_____ S_____ in October, 1983. The tandem came equipped with Tandem 120's (tires). These tires gave us a smooth and fast ride, but as the article points out, are prone to punctures as we found out on a particular ride when the rear tire punctured due to broken glass. Upon replacement of the tire, we decided to try the Specialized Touring K-4's with the Kevlar belts. These tires are great for going full speed ahead over almost anything. We have ridden over very rough railroad tracks without slowing down with our combined weight of 320 pounds, not including the tandem's weight.

Unfortunately, more profile usually means a high rolling resistance. Therefore, I had not been satisfied with the K-4's and welcomed the article "Tire Tips". After reading the article, I immediately went to the bike shop (late on a Friday afternoon!) and pur-

chased a pair of Specialized Touring Turbo Tires. I followed the suggestions for installing them without encountering any problem. AVer the weekend, we then rode 90 miles, and the tires performed better than we ever hoped. We again enjoy a smooth and fast ride.

Dear DoubleTalk:

I finally figured out why I haven't received DoubleTalk lately. My membership ran out last March ('84).

I have enclosed my renewal check to restart my membership. I am also interested in the back issues of Doubletalk that I missed this year and previous years. Please, how do I order them?

Dan & Cindy Nibbelink
Golden, CO

Nobody should let his membership expire! Take a moment and look at your new label. It tells you exactly how many issues you have remaining. If it says this is the first renewal notice, then you have one more issue remaining. Final issue means just that: Unless we have your renewal by the end of the month, you will probably miss the next issue.

Back issues are scarce. In order to conserve the TCA's funds, we no longer print huge overruns. We only have the last issue remaining intact, but can provide reprints of selected articles/pages (perhaps even complete issues, if the orders are limited). The last issue is \$2.50. Previous issues will run about \$3.00-\$4.00/issue, depending on their length. As this

just covers the copying charges, we hope there is not a large demand! Most reprints of articles run \$0.50-\$0.75.

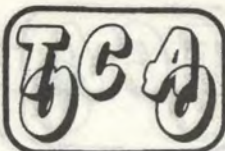

Please direct your specific requests for reprints to the Editor, DoubleTalk.

EASTERN TANDEM RALLY, '85

Many people think they know Poughkeepsie and the Hudson Valley -- IBM, Apples, the Smith Brothers (Trade & Mark), Vassar College, the Roosevelt and Vanderbilt mansions. How many are aware that the finest collection of World War I aircraft, both originals and authentic replicas, can also be found here, all flying, doing stunts, and having dogfights? Or one of the really great wineries in the U.S. that Baron Rothschild said produced finer wines than any California vintage he had sampled? Come to TANDEM '85 and find out for yourself!

Marist College will be our hosts. They did a superb job hosting GEAR'74 (which many of you attended) and they are eager to welcome cyclists back to their beautiful campus. Registration will begin at 2:00 p.m. on Friday, August 2, giving early arrivals a chance to get settled and explore the surrounding area on their own. A visit to the Hyde Park mansions of Vanderbilt and FDR will be fascinating to those who have not had this opportunity before. The Fireside Lounge in the Campus Center will offer refreshments and a chance to renew old friendships and make new ones. The Pub in the Campus Center will also be open to handle your liquid refreshments.

Saturday and Sunday will feature

rides into the nearby Wine Country, and to the Rhinebeck Aerodrome. If we're lucky, we'll even see the feared Black Baron try to shoot our hero out of the sky in a WWI vintage aircraft! Bring plenty of color film--and a telescopic lens. The picture opportunities will be a once in a lifetime experience.

The cost for TANDEM '85 is \$160/team. This includes two nights' lodging, sheets, pillow, pillow case, towels, face cloths, blankets, five meals, admission to the Aerodrome, the winery tour & tasting, maps, registration, patches, etc. There will be reduced rates for children under 12, and child care is being arranged for children out of diapers. **REGISTRATION WILL CLOSE JUNE 15, 1985, OR WHEN THE LIMIT OF 300 (PEOPLE, NOT TANDEMS) IS REACHED.** Please send a SASE to Ben & Judy Strong, TANDEM '85, 40 Monroe Drive, Poughkeepsie, NY 12601, for a registration form and for more information. PH: 914/297-2413.

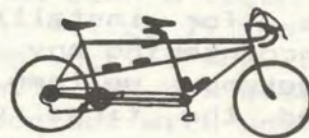

WABASH VALLEY

TANDEM RALLY IV

The Wabash River Cycle Club is hosting its Fourth Annual WVTR. This year the rally has moved to June 22 & 23 in an attempt to beat the cold, rainy weather of the past years' October dates. Last year, 25 tandem teams from 5 states braved the weather and enjoyed cycling through the scenic and historic Wabash River Valley. This year, we expect even more to take advantage of the summer dates, the expanded rides schedule, and the enjoyment of cycling with other tandemists.

Headquarters for this year will be the Lafayette Holiday Inn North, SR-43 @ I-65. Registration begins

MIDWEST TANDEM

RALLY '85

It all began in Kokomo, Indiana, 10 years ago. And MTR'85 hosts Wayne & Phyllis Shirey invite you to come "Back Home Again to Indiana" on Labor Day weekend (August 31 - September 2) to help celebrate the MTR's 10th glorious year!

The Rally Headquarters will be the Sheraton Inn, Anderson, Indiana. Anderson is located about 35 miles northeast of Indianapolis, and the Sheraton is located just off I-69 @ Exit #26.

Rides will travel through the central Indiana countryside, which Wayne & Phyllis describe as being "flat, but certainly not boring! The countryside is broken with shady lanes, lazy streams, pleasant pastures, woods, quaint country towns, modern farms, barns, and small wildlife."

More information will be included in the July-August issue of DoubleTalk, but those of you who can't wait until then may send a SASE to Wayne & Phyllis Shirey, MTR'85, Box 565, Daleville, IN 47334. PH: 317/378-7548.
