**DEADLINE FOR THE MARCH-APRIL
ISSUE IS FEBRUARY 15, 1985!!**

FROM THE EDITOR

Happy New Year! Susan and I hope Santa Claus was good to you and yours, and that he brought you a whole year of good riding to enjoy. We think you should have been given a whole year of tailwinds and downhills to enjoy, and a tandem that never has problems so you can enjoy this coming good year. We also hope that bringing in the New Year wasn't too traumatic, that your New Year's resolutions are the kind you can keep, and that you get to enjoy Santa's gifts of good rides. Now, it's time to get down to some serious tandem riding.

1986 should be a banner year for the TCA. Our membership continues to grow, though not at the rate I'd hoped to see. Currently it's hovering around 360+ paid members. That's about the same number as printed in the last membership list, but this time there are no complimentary subscriptions mixed in. That means that we've enjoyed a real gain of about 75 memberships since May! Not too bad, when you think about it, but there is still plenty of room for improvement. Let's all add at least one new member to the roles in 1986.

We'd like you to take a moment and look at the Tandem Calendar. Go ahead, do it right now. We've already six major events listed, and there's plenty of room for still more! There is a Northwest Tandem Rally listed, making its first appearance. And it's the first spring Tandem Rally in some time. Of course, the older rallies--the Eastern, the Midwestern, and the Southern--have already set their dates, too. With these events already set, we invite you to support the rallies near

you. If you've never been to a Tandems-Only Rally, why not make 1986 your year to go to a Rally?

Susan and I are also excited about editing DoubleTalk for the third year. You've all supported our efforts far beyond what we expected, and your constant stream of articles has made this job a real pleasure. We've already several good articles for inclusion in future issues, and we know you'll soon be sending in your article, too! We've received articles from all parts of the country. They are about touring, about tandems, about bags, and much more. But there's still room for your article, though, so don't be bashful! And the Tandem Toolbox, by Jay Hardcastle, will be returning in the next issue.

We've included two copies of the TCA's membership brochure. Take your time and scan the membership list. If you don't see all your friends' names, send them a brochure. Need more brochures? Feel free to Xerox a few extra. We don't mind a bit!

In closing, we'd like you to flip to the page listing the area reps. We've redistricted the United States, and we've included the Canadian Provinces. This is the culmination of many discussions among the area reps, the volunteer officers, and people wanting to know what's expected of an area rep. We (all of those who participated in the discussions, and there were probably over 100 people who were involved during the last two years) finally believe we now know what an area rep should do: (1) Promote the TCA and tandem cycling; (2) Assist TCA members (and potential members) with questions about

touring by tandem in your area; and
 (3) Keep abreast of any tandem events within your area. Make sure the DoubleTalk editor is aware of these events, both before they take place, so they can be listed in DoubleTalk, and after the event has occurred, so others can read about what they missed. You'll notice there are five vacant areas. Two of these are because of the redistricting, and the other three are vacant because the former reps have let their membership lapse. If you are interested in volunteering for one of these positions, write us and let us know. The pay's the same as the editor and the officers receive. The TCA will provide you with extra brochures, like the two included in this issue. You get your name printed in the front of DoubleTalk. And you get letters from a lot of really fine people!

Happy Tandemming!

LETTERS TO DOUBLETALK

Dear DoubleTalk:

We are wondering about the "Area Rep's" duties. I asked this question several years ago of the former editor and got no answer. We also wondered if New Hampshire was out of the normal riding area---seems we (as a state) have never been "represented".

If it helps, we would volunteer to be "representatives" for New Hampshire (and maybe even Vermont!), duties to include telling other tandemists about the TCA and also helping TCA members plan a New England vacation (routes, suggested lodgings, interesting areas, etc.) Of course, we are more informed about NH than VT, but are willing to share what we have experienced.

Now, since you have representatives listed for 37 states, and we have volunteered to do 2 states---what about the other 11? Surely there must be members in some of those states?

Bob & Linda Harvey
Salem, NH

Thanks for volunteering to serve as area reps. I think you have summed what the duties of an area rep quite well, plus added a few good suggestions, too! I also think that the area reps should be aware of any tandem events within their region, and serve as an informal clearing house. As editors of DoubleTalk, we'd also like to know what's happening in the country. We post all the tandem events we know about in the Tandem Calendar, and we even try to attend as many of these events as we can.

And while we're on the subject of area reps, everybody take amount and flip to the inside front page. If your area is vacant, why not volunteer? Several of our former reps have let their memberships expire, and are no longer active. If you volunteer for an area rep's duties, the TCA will supply you with a supply of our membership brochures to make your job a bit easier.

Dear DoubleTalk:

Jeannie & I will be visiting California for a 3 week Tandem Tour, beginning on the 24th of March, with our Roberts Tandem. Although we have planned to visit our tandem friends in both Los Angeles and San Francisco, we would be pleased to hear of any tandem events or local runs that might be

scheduled around this time, so that we might meet more American tandem riders.

Right now, as I write this in late November, our plans are still fairly loose, so we can still adapt if there is any tandem event to attend.

Introducing the Tandem Club of America.....

Perhaps you have heard of us. Maybe you were even a member in the past. But if you are not a member now, you may not know what today's Tandem Club is all about.

The Tandem Club of America (TCA) was founded in 1976 by a group of tandem enthusiasts who wished to share their enthusiasm with the uninitiated, and to exchange bits of information among tandem owners throughout the country. (Back then, there weren't all that many tandems out there!) These original members created a newsletter, called DoubleTalk, as the voice of TCA. Today, Double Talk is one of the most visible signs of the Tandem Club of America. It is published six issues a year in a magazine format. It contains articles about tandems and tandem touring which have been written by the members. You can also find out about what is happening in the world of tandems through the Tandem Calendar. A classified section is included, too, to help sell that extra set of wheels or that tandem that doesn't fit this year's color scheme!

Over the years, the TCA has been instrumental in promoting rallies for owners of long bikes. From the original rally held in 1972, there are now three regional rallies and one state rally to choose from. All, while independent of the TCA, are heavily promoted and supported by TCA members. You can find out the when and where through the DoubleTalk!

If you want to join with other tandem enthusiasts across the country, just fill out the attached membership application blank, and you will soon be receiving copies of DoubleTalk in your mailbox!

Hope to see you on the road!

Introducing the Tandem Club of America

Perhaps you have heard of us. Maybe you were even a member in the past. But if you are not a member now, you may not know what today's Tandem Club is all about.

The Tandem Club of America (TCA) was founded in 1976 by a group of tandem enthusiasts who wished to share their enthusiasm with the uninitiated, and to exchange bits of information among tandem owners throughout the country. (Back then, there weren't all that many tandems out there!) These original members created a newsletter, called DoubleTalk, as the voice of TCA. Today, Double Talk is one of the most visible signs of the Tandem Club of America. It is published six issues a year in a magazine format. It contains articles about tandems and tandem touring which have been written by the members. You can also find out about what is happening in the world of tandems through the Tandem Calendar. A classified section is included, too, to help sell that extra set of wheels or that tandem that doesn't fit this year's color scheme!

Over the years, the TCA has been instrumental in promoting rallies for owners of long bikes.
