DEADLINE FOR THE MARCH-APRIL, 1990, DOUBLETALK IS FEBRUARY 1, 1990

FROM THE EDITOR

Welcome to the 1990's and what we hope is a banner year for tandems and the Tandem Club of America. We have the momentum built from the last two years to take the TCA and the sport of tandeming to new heights. We may see our membership level exceed 1500 in 1990! Remember when, just 6 years ago, we wondered if we'd ever reach 300 members? In talking things over with Mal & Jean, our Treasurers, we believe that the club is in good financial health, too, as we enter the 90's. What that means to you is that we will not be raising our membership dues unless the USPS raises postal rates significantly .

As promised, you'll find the annual membership list published in this issue. Take a moment to look through it and see who isn't a member. Note that we lost a few members in some of the states since last January. One state, Arkansas, no longer has any members at all! That's unthinkable, since I know there are good tandemists in that fine state! Now that you've noted who isn't listed, turn to the middle of the Doubletalk and take one of the membership brochures out. Take it to the office or to your nearby Kwik-Kopy and run a few extra copies. Mail them out to your tandem friends who aren't on the list.

Several people seem to miss the first issue after their membership expires. Why? It seems that they mail their renewal into Mal and Jean after the first of the month following the month they receive their last issue. Mal and Jean don't receive the renewal until it's too late to process for the current issue. Thus, they miss what should be the first issue of their renewal year. In order to keep from missing any issues, you should mail your renewal in when your label says that you have 1 issue remaining. Don't wait for the "FINAL ISSUE" message, or you'll probably miss the next issue. Our membership management program can handle your renewals at 'most anytime, even if you still have a few issues left before your

membership expires. Don't miss any issues of DoubleTalk. You might miss the deadline for the next rally.

The TCA Calendar is fuller than it ever has been in a January issue. If you or your club is planning an event, send a notice in to Doubletalk (watch for the deadline), and we'll include it in the Calendar of Tandem Events. Remember, though, it must be specifically for tandems to be included. As long as we have space, we'll run your listing until the event is over.

That's enough for this issue. Choose a good rally near you (or far away -- they're fun, too!) Go cycle with your good friends, even if you've never met them before, and enjoy!

See you on the road!

WHO DOES WHAT

MEMBERS: Write articles, draw cartoons, send letters, host rides and rallies.

AREA REPS: Local tandem information & local recruiters for TCA.

GRAPHICS DESIGNER: Artwork & graphics for DoubleTalk.

TREASURER: Dues, patches, and t-shirts.

SECRETARY: Contact point between TCA and the outside world.

EDITOR: Edits your articles for DoubleTalk, Advertising, and membership data (including mid-year address corrections).

When you contact one of these volunteers, seeking information about the TCA and/or tandem activities in the area, please be specific. Many of these individuals are also active in other bicycling organizations, and a SASE with no questions asked may never be returned.

BACK ISSUES AVAILABLE

We have a limited number of back issues of Doubletalk available to complete your collection. For each issue desired, send a check for \$2.50 for each issue desired, payable to Tandem Club of America, to Jack & Susan Goertz, 2220 Vandessa Drive, Birmingham, AL 35242-4430. The issues you order will be sent to you either via first class postage (1-4 issues ordered) or via UPS (more than 4 issues ordered).

LETTERS TO DOUBLETALK

Dear Doubletalk,

We received a wonderful response to our request for other folks' experience with baby trailers. We bought a Burley trailer, and we love it. The only thing we added was a sunscreen (we used a store-bought vinyl sunscreen meant to be put on a car window, and to be held in place by static electricity. We pinned the screen to the outside of mesh cover so that the wind blows it flush with the cover). Diane seems very happy in it -- she loves watching the world go by.

Diane no longer fits in a baby carrier, so we're asking for help once again. I'm sewing a pillow for her, one with side supports for the times when she nods off. Does anyone have any suggestions on how to encourage happy helmet use? We always wear our helmets, and I want Diane to get in the habit soon. Our first try was met with tugging, pulling, and continuous crying (though it was a hot evening).

Anyway, we love the TCA. What a great network of friends!

Dear Doubletalk,

My wife and I are 60-year old teachers who have been touring on individual Kellogg frames (single bikes) for the past 10 years during summer vacations. Primarily this has been in the mountainous areas of Europe, i.e., Spain, Italy, Switzerland, etcetera. This past summer we spent five weeks in central Portugal. With each succeeding year, we have encountered more and more people on tandems (primarily English) and have arrived at the realization (finally) that this would be a perfect solution -- for a number of reasons -- to allow us to continue touring for some years to come.

However, we know absolutely nothing about tandems except the concept and a little knowledge gained from reading an article here and there and a brochure or two. This brings me to my final request...could any TCA member respond to the following questions?

(1) Who, in your opinion, is currently building the best touring tandems and what is their address? Why do you like it? Is it your first tandem?

(2) Are there any good books available on tandems?

Any help we can gain in this area would be greatly appreciated.

Dear Doubletalk,

In the October-November issue of Doubletalk, Russel Standage asked to hear from TCA members who owned Cannondale tandems. My wife and I have had ours for about a year now, and we love it.

The only problem we had with the bike was in the beginning. We had the bike built with SunTour Accushift Bar-end shifters. Our problem was our difficulty in keeping the bike in gear. In fact, we finally had to switch the lever from indexed mode to friction mode in order to relieve some of my frustration. These long cables just seemed to stretch like crazy. Once they had reached their limits, though, we switched back to indexed mode, and our problem went away. I dread the thought of having to replace the cable in the future.

A friend of ours said that he has solved his cable stretch problem by having a gear cable made from Kevlar. The only problem I see with this is "Who makes Kevlar gear cables?" Our friend works at a place that does a lot of "high tech" work for the government, and he made his after hours from some scrap material. Does anyone have any ideas on how to reduce cable stretch?

Dear Doubletalk,

Last year I wrote about a tandem ride we had here in Pittsburgh, and the possibility of starting a local tandem club. Well, we did, and I'd like to tell everyone about it. We call ourselves the PARROTS (PA Recreational Riders On TandemS). This is keeping with the "animal" themes started by those crazy Midwesterners.

This past season we held one ride a month from April through October. Participation has not been tremendous yet, but we have about 20 teams on our mailing list, with even more people talking about

buying tandems and joining us. Our dues are set to just cover the printing and mailing of the ride schedule. This past season we had rides in the 30-50 mile lengths, in all areas around Pittsburgh, and we also had one camping weekend in Northwestern PA where it tends to be a little flatter.

We're looking forward to our second season, and we hope to gain a few more members. Remember, everyone can join the PARROTS at the 1990 LAW National Rally next July! See you next summer!

Dear Doubletalk,

At last we have come across a source for keeping in touch with tandem enthusiasts, and a source for keeping up-to-date with the latest in tandem advances.

Although we don't have a tandem, yet, my fiancée and I are buying one as a wedding present to each other. We're presently looking at one of the off-roads models, and we'd welcome TCA members comments on different makes and models available. Our price range is probably in the \$2000-\$2500 range (US).

Tandems are quite scarce in Edmonton. Are there any TCA members in this part of Canada?

Dear Doubletalk,

We would like to do the Assault on Mt. Mitchell (NC) in May, 1990. We have a friend who has done this ride for the last 3 years on a

single, and he has advised us not to try it on our tandem. We'd like to know if any TCA members have done it (on their tandem, of course), and what they can share with us.

(ED: Many letters this time are specific requests for information and help. When you answer these requests, please take a moment and send a copy of your answer to Doubletalk. We file these answers and, when appropriate, combine them into an article to share with all members of the TCA.)

"An International Organization of Tandem Enthusiasts"

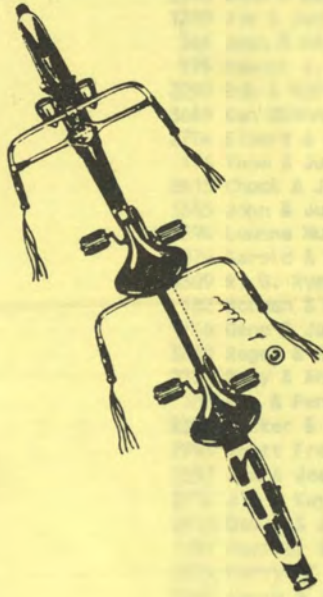

Introducing the Tandem Club of America...

Perhaps you have heard of us. Maybe you were even a member in the past. But if you are not a member now, you may not know what today's Tandem Club is all about!

The Tandem Club of America (TCA) was founded in 1976 by a group of tandem enthusiasts who wished to share their enthusiasm with the uninitiated and to exchange bits of information with other tandem owners throughout the country. Back in the '70's, there weren't all that many tandems out there! These original members created a newsletter, called Doubletalk, to be the voice of the TCA. Since those humble beginnings, Doubletalk has become one of the most visible signs of the Tandem Club America.

Doubletalk is now published six times a year in a magazine format. It contains articles and tips about tandems and tandem touring, all written by TCA members. You can find out what is happening in the world of tandems (and throughout the world) through TCA's Tandem Events Calendar, published each issue in Doubletalk. A Classified Ad section is included, also, to help you sell that extra set of wheels or that tandem that doesn't fit this year's color scheme!

Through the years, TCA has been instrumental in promoting rallies for owners of long bikes. From the original rally held in 1972, there are now numerous regional rallies and many state

and local events to choose from. All, while independent of the TCA, are heavily promoted and supported by TCA members. You can find out the when and where through Doubletalk!

If you want to join with other tandem enthusiasts throughout the world, just fill out the attached membership application form, and you will soon be receiving your own copy of Doubletalk in your mailbox!

Hope to see you on the road!

WORD'S OUT!

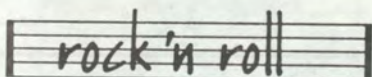

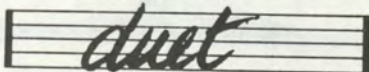

Serious, USA built tandems are available at not so serious prices.

New for 1990. Fast and comfortable road tandem with 26 x 1.5 tires. It's an exceptional value just waiting for a test ride.

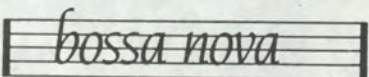

SAMBA MIXTE-X The only performance mixte tandem on the market.

This road-ready sport tandem is built to be enjoyed. Its performance, quality, and features will satisfy even the most demanding tandemists.

Fat tire enthusiasts get ready to romp. This sure footed tandem's equally at home on city streets or backroads.

For those who opt for "first class" all the way. This innovative tandem is impressively light, fast, and responsive.

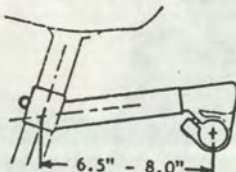

5 models starting at under \$1000.00. Call or write Burley Design for free brochure and nearest dealer.

Tandem Goodies for all Tandem Enthusiasts

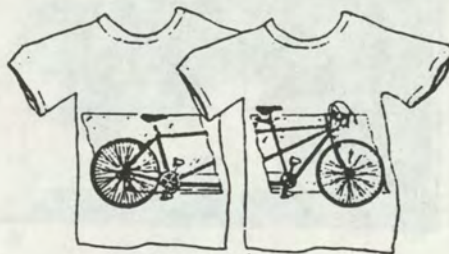

Burley Child Crank Option

This option allows adults to ride with children 4-10 years old who are too short to reach the pedals. We also make a Child Crank for Cannondale's 1 1/4" tandem seat tube. Retail for \$160-\$200.

Burley Adjustable Stoker Stem

This can be used with the Child Crank or by itself to allow for different stokers, or to adjust for comfortable stoker positions. The stem range is 6.5"-8.0". It can be ordered for 26.6 mm or 27.2 mm seat posts. Retail for \$42.-\$50. (add \$11 for chrome)

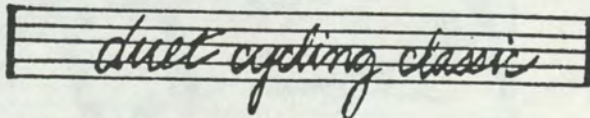

Tandem T-Shirts For Captain and Stoker

Just for the fun of it! Brilliant colors printed on white 100% cotton T-shirts. These one of a kind T-shirts are sold only as a pair. Cost is \$25/pair, postage paid. Available in S, M, L, XL (also child sizes for the stoker); please specify size for captain and stoker. Available with or without a Burley Design Logo on back.

Burley's Guide to Tandeming

Here's the definitive guide—something we tandemists have gone too many years without. Author John Schubert has an extensive bicycle road-testing background, and has owned a tandem since 1981. He brings his expertise as technical editor of Bike Report and past editor of Bicycling and Bicycle Guide. This manual has useful information for novice and experienced tandemists alike, and will be available Spring 1990 at a nominal cost.

A Stage Race For Tandemists

If you love to ride your tandem competitively try this event: North America's only stage race held in Eugene, Oregon! Plan to join us next year over the 4th of July weekend for the 3rd Annual Duet Cycling Classic. Each year it gets bigger and better, and there is excitement for all levels of racers (USCF license required). Check out the articles in "Winning 4-89" and "Bicycle Guide 6-89".
