**T**he Tandem Club of America (TCA) was founded in 1976 by a group of tandem enthusiasts who wished to share their enthusiasm with the uninitiated and to exchange bits of information with other tandem owners throughout the country. Back in the '70's, there weren't all that many tandems out there! These original members created a newsletter, called Doubletalk, to be the voice of the TCA. Since those humble beginnings, Doubletalk has become one of the most visible signs of the Tandem Club of America.

**D**oubletalk is now published six times a year in a magazine format. It contains articles and tips about tandems and tandem touring, all written by TCA members. You can find out what is happening in the world of tandems (and throughout the world) through TCA's Tandem Events Calendar, published each issue in Doubletalk. A Classified Ad section is included, also, to help you sell that extra set of wheels or that tandem that doesn't fit this year's color scheme!

**T**hrough the years, TCA has been instrumental in promoting rallies for owners of long bikes. From the original rally held in 1972, there are now numerous regional rallies and many state and local events to choose from. All, while independent of the TCA, are heavily promoted and supported by TCA members. You can find out the when and where through Doubletalk!
