About your membership number...

Some members have wondered how their membership number (upper left corner of your DoubleTalk label or in the memberlist next to your name) correlates to when they joined TCA. After a little digging through the old records and through our dBase database, we can offer the following information:

| <u>If your membership # is</u> | <u>You probably joined</u> | <u>Total new members that year</u> |
|--------------------------------|----------------------------|------------------------------------|
| <1120 | before 1986 | ?? |
| <1624 | 1986 | 524 |
| <2293 | 1987 | 649 |
| <3225 | 1988 | 932 |
| <4013 | 1989 | 788 |
| <4952 | 1990 | 939 |
| <5797 | 1991 | 845 |
| <6653 | 1992 | 856 |
| <7675 | 1993 | 1022 |

Records prior to 1985 are a little suspect, and numbers above 10000 are reserved for display advertisers, some dealer members, and a few mis-assigned members. Some numbers may have been reassigned/reused, too, in the early days.

One anecdote relates to our number. In 1976, when Judy and I and Glenn & Beth Zeichner first conceived of a "Tandem Club of America," we had estimated that the minimum number of tandemists needed to make a viable club was 50. We printed up issue #1 with money from our own pockets and mailed a copy to every tandemist we knew. We waited on the return mail, and we got the first 50 back, we thought, "Well! It's a go!" We cashed the checks, and we decided that we should probably sign up, too. Since we got a couple more that last day, pushing us over the 50 mark, our number ended up as #53.

TCA Tandem Hospitality Homes

Are you willing to become a TCA Hospitality Home? If so please fill out the form to the right. If you would like to discuss this, give Tom a call and talk about it.

A Hospitality Home provides touring cyclists a place to stay for a night. It need not be fancy,, a spare bedroom or even a tent site will do. The cyclist will need shower facilities and an opportunity to launder their clothes and a meal. The touring cyclist will call you well in advance and make arrangements; no surprises.

The Tandem Club of America (TCA) was founded in 1976 by a group of tandem enthusiasts who wished to share their enthusiasm with the uninitiated and to exchange bits of information with other tandem owners throughout the country. Back in the '70's, there weren't all that many tandems out there! These original members created a newsletter, called Doubletalk, to be the voice of the TCA. Since those humble beginnings, Doubletalk has become one of the most visible signs of the Tandem Club of America.

Doubletalk is now published six times a year in a magazine format. It contains articles and tips about tandems and tandem touring, all written by TCA members. You can find out what is happening in the world of tandems (and throughout the world) through TCA's Tandem Events Calendar, published each issue in Doubletalk. A Classified Ad section is included, also, to help you sell that extra set of wheels or that tandem that doesn't fit this year's color scheme!

Through the years, TCA has been instrumental in promoting rallies for owners of long bikes. From the original rally held in 1972, there are now numerous regional rallies and many state and local events to choose from. All, while independent of the TCA, are heavily promoted and supported by TCA members. You can find out the when and where through Doubletalk!

If you want to join with other tandem enthusiasts throughout the world, just fill out the attached membership application form, and you will soon be receiving your own copy of Doubletalk in your mailbox!
