# TCA Tandem Hospitality Homes

Are you willing to become a TCA Hospitality Home? If so please fill out the form to the right. If you would like to discuss what's involved, give Tom a call and talk about it.

A Hospitality Home provides touring cyclists a place to stay for a night. It need not be fancy,, a spare bedroom or even a tent site will do. The cyclist will need shower facilities and an opportunity to launder their clothes and a meal. The touring cyclist will call you well in advance and make arrangements; no surprises.

WHAT  
**IS** *the*  
TCA?

**T**he Tandem Club of America (TCA) was founded in 1976 by a group of tandem enthusiasts who wished to share their enthusiasm with the uninitiated and to exchange bits of information with other tandem owners throughout the country. Back in the '70's, there weren't all that many tandems out there! These original members created a newsletter, called Doubletalk, to be the voice of the TCA. Since those humble beginnings, Doubletalk has become one of the most visible signs of the Tandem Club of America. If you want to join with other tandem enthusiasts throughout the world, just fill out the attached membership application form, and

👉 you will soon be receiving your own copy of Doubletalk in your mailbox! 👈
